## Introduction to Insight Investment Partners Part 1

This Website Disclosure Information was prepared on 3 February 2025. This Website Disclosure Information should be read with the Adviser Profile document dated 3 February 2025.

This Website Disclosure Information helps you understand and decide if you wish to use the financial services, we are able to offer you.

The Licensee and its employees (including any employees of a related body corporate) are collectively referred to as “us, we, our” throughout this Website Disclosure Information.

This Website Disclosure Information sets out the services we provide. It tells you:

- who we are and how we can be contacted;
- what services and products we are authorised to provide to you;
- how we (and any other relevant parties) are paid; and
- how we deal with complaints.

### Lack of Independence

Insight Investment Partners is not able to describe itself as being independent, impartial or unbiased because we:

- receive commissions for the advice we provide on life risk insurance products; and
- have an approved product list which limits the range of products we or our representatives can recommend when providing advice to you.

Should we provide you with personal financial product advice, and you are a retail client, you will receive a Statement of Advice (SOA). The SOA is a record of our recommendations; the basis on which it is given, and information about commissions, fees, charges and any associations that may have influenced the provision of such advice.

Where further advice is provided, we may not provide an SOA where the relevant circumstances and basis for advice have not significantly changed from the original SOA. However, we will provide upon request what is known as a Record of Advice (ROA). You can request this at any time from your adviser or by emailing or writing to us.

Occasionally we provide general advice. This is where we may express an opinion or recommendation influencing you in making a decision in relation to a financial product, but where we HAVE NOT considered your personal objectives, financial situation or needs. If we provide you with general advice, we will provide you with a warning that the advice may not be appropriate to your needs, financial situation or objectives. Additionally, we will provide you with an applicable Product Disclosure Statement (‘PDS’) (if one is available) which you should read before making a decision that the product is right for you.

In the event we make a recommendation to you to acquire a particular financial product (other than listed securities) or offer to issue or arrange the issue of a financial product, we will also provide a

Product Disclosure Statement (PDS). The PDS contains information about the risks, benefits, features and fees payable in respect of the product.

The Licensee has arrangements in place to maintain professional indemnity insurance. This insurance satisfies the requirements under section 912B of the Act.

## What fees and commissions are payable to us?

We will discuss and agree our fee structure with you before we provide you with services. Generally, the types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

### **Fees for Advice:**

We may charge fees for the preparation, presentation and/or implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

A flat dollar amount known as an advice fee may be charged from \$550 - \$33,000 (inclusive of GST).

### **Service Agreements:**

We may charge a fee to provide advice services and/or portfolio reviews. These agreements may be either on either a fixed term or ongoing basis.

This fee will be agreed with you and is either a set amount, or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances.

### **Payment methods**

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with financial services.

### **Life Insurance Products**

Initial and ongoing commissions from insurance providers may be received by Insight Investment Partners. These commissions are paid to Insight Investment Partners by the company that issues the product that we recommend to you, and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to Insight Investment Partners. Ongoing commissions are payments paid by product issuers to Insight Investment Partners in the years after the first year.

If you initiate an increase to your cover, we may receive an initial commission and ongoing commissions on the increase to your policy cost. The ongoing commission on a client-initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

The maximum commission that Insight Investment Partners may receive is set out in the table below:

<b>Date a new product is issued</b>	<b>Initial commission (% of annual policy cost or increase incl. GST)</b>	<b>Ongoing commission pa (% of annual policy cost or increase incl. GST)</b>
Before 1 January 2018 or before 1 April 2018 when the application was received prior to 1 January 2018	0 - 140%	0 - 38.5%
1 January 2018 - 31 December 2018*	0 - 80%	0 - 20%
1 January 2019 - 31 December 2019*	0 - 70%	0 - 20%
From 1 January 2020*	66%	22%

\*We may receive the pre-1 January 2018 commission rates above from the product issuer, higher commission rates than those outlined in the above table if:

- your policy was issued before 1 January 2018, and you exercise an option or apply for additional cover under your policy after 1 January 2018; or
- your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

**Brokerage**

We may receive up to 100% of any brokerage fees charged for the execution of share trades. We may charge between 0% to 1.10% inclusive of GST (subject to a minimum of \$110 inclusive of GST), on any share transaction.
